**BACKGROUND**

1. This Application is to obtain a certificate of convenience and necessity for MAWC to install, own, acquire, construct, operate, control, manage and maintain a water system and a sewer system in Miller County, Missouri, in a development known as Isla del Sol Condominiums.

2. MAWC is a Missouri corporation with its principal office and place of business at 727 Craig Road, St. Louis, Missouri 63141. MAWC is a Missouri corporation in good standing. A certified copy of MAWC's certificate of good standing was submitted in Case No. SA-2007-0316 and is incorporated by reference. ### **CERTIFICATE**

4. MAWC requests permission, approval and Certificates of Convenience and Necessity to install, own, acquire, construct, operate, control, manage and maintain a water system and a sewer system for the public in an area of Miller County, Missouri, as set forth on the map attached to this Application as **Appendix A**. This area is generally known as the Isla del Sol Condominiums. Isla Del Sol Condominium Association, Inc., f/k/a Atlantis Island is the sole water and sewer customer. The Association in turn provides service to approximately 90 condominiums.

5. A legal description of the area sought to be certificated for water service and sewer service is attached to this Application as **Appendix B**.

6. If this application is granted, the local homeowners association will be MAWC's only customer for both the water and sewer services provided. Accordingly, MAWC requests a waiver from Commission Rule 4 CSR 240-3.305(1)(A)2 and 4 CSR 240-3.600(1)(A)2, which would otherwise require a list of residents or landowners.

7. Attached hereto and marked as **Appendix C-C** is a feasibility study for the water and sewer systems, including estimated expenses and revenues during the first three years of operation by MAWC. No external financing is anticipated. Appendix C-C has been identified as Confidential in accordance with Commission Rule 4 CSR 240-2.135(2)(A)4 and 6, as it contains market specific information and information representing strategies employed in contract negotiations.

8. MAWC will not require any franchises or permits from municipalities, counties, or other authorities in connection with the proposed systems.

9. To provide service to the proposed area, MAWC will purchase a water distribution system and sewer system from Rockwood Bank (Seller). A copy of the Asset Purchase Agreement governing this transaction is attached hereto as **Appendix D-C** (Agreement). Appendix D-C has been identified as Confidential in accordance with Commission Rule 4 CSR 240-2.135(2)(A)4 and 6, as market specific information and information representing strategies employed in contract negotiations.

10. MAWC proposes to provide water service pursuant to the existing rules and regulations currently found in its Mo. P.S.C. No. 13 tariff; and pursuant to the rates found on Sheet RT 1.2 of that tariff. MAWC proposes to provide sewer service pursuant to the existing rules and regulations currently found in its Mo. P.S.C. No. 26 tariff; and pursuant to the rates found on Sheet RT 3.1 of that tariff.

11. The grant of the requested certificates (and approval of the underlying transaction) will result in regulated water and sewer services to be provided to the current and future residents of Isla del Sol Condominiums. The systems would be acquired by MAWC, a Missouri public utility, and be subject to the jurisdiction of the Commission. MAWC has considerable expertise and experience in providing water and sewer utility services to residents of the State of Missouri and is fully qualified, in all respects, to own and operate the water and sewer systems currently being operated in Isla del Sol Condominiums complex.

#### **MOTION FOR WAIVER**

12. Rule 4 CSR 240-4.017(1) provides that “(a)ny person that intends to file a case shall file a notice with the secretary of the commission a minimum of sixty (60) days prior to filing such case.” A notice was not filed 60 days prior to the filing of this Petition, and MAWC seeks a waiver of the 60-day notice requirement.

13. Rule 4 CSR 240-4.017(1)(D) provides that a waiver may be granted for good cause. Good cause exists in this case. MAWC declares (as verified below) that it has had no communication with the office of the Commission (as defined by Commission Rule 4 CSR 240-4.015(10)) within the prior 150 days regarding any substantive issue likely to be in this case, other than those pleadings filed for record. Accordingly, for good cause shown, MAWC moves for a waiver of the 60-day notice requirement of Rule 4 CSR 240-4.017(1) and acceptance of this Application.

**WHEREFORE**, MAWC requests the Commission grant it permission, approval and Certificates of Convenience and Necessity authorizing MAWC to:

- a) install, acquire, build, construct, own, operate, control, manage and maintain a water system and sewer system for the public within the areas referred to above;
- b) acquire the assets identified herein of Isla del Sol Condominium Association, Inc., f/k/a Atlantis Island, from Rockwood Bank; and,
- c) take such other actions as may be deemed necessary and appropriate to accomplish the purposes of the Agreement and the Application and to consummate related transactions in accordance with the Agreement.
