STATUS REPORT AND MOTION FOR EXTENSION OF TIME

COMES NOW Missouri-American Water Company (“MAWC”), by and through counsel, and for its Status Report and Motion for Extension of Time, respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. The Territorial Agreement of MAWC and Audrain Public Water Supply District No.1 of Audrain County, Missouri (the “District”), was approved by Commission order issued April 6, 2017, effective May 6, 2017.

2. The Commission directed MAWC to submit a revised tariff sheet within ten days of the effective date of the order. This has not been done, and MAWC requests an additional thirty days to do so.

3. Following the approval of the Territorial Agreement, MAWC and the District began working on an Asset Purchase Agreement and encountered issues regarding the involved easements. MAWC would prefer that the Asset Purchase Agreement with the District be finalized before submitting a revised tariff sheet. Additionally, MAWC would like additional time to work with Staff on the language for the tariff revision.

WHEREFORE, MAWC submits this status report and requests an additional 30 days to submit its revised tariff sheet. MAWC requests such other and further relief as is just and proper under the circumstances.

Respectfully submitted,
