

OF THE STATE OF MISSOURI

Case No. IE-2009-0190

STAFF RECOMMENDATION

for its recommendation in Case No. IE-2009-0190 states as follows:

1. On November 13, 2008, Stoutland Telephone Company (Stoutland or the Company) filed notification with the Missouri Public Service Commission (the Commission) that the Company had elected to waive certain Commission rules and statutory provisions pursuant to RSMo Section 392.420.

2. On November 19, 2008, the Commission issued its *Order Directing Filing Of Staff Recommendation*, ordering Staff to file a recommendation in this matter no later than December 1, 2008.

3. Stoutland's reference to RSMo Section 392.420 refers to the statute as revised by the passage of House Bill 1779, which became effective August 28, 2008.

4. Section 392.420, as amended by House Bill 1779, states in relevant part:

In the case of an application for certificate of service authority to provide basic local telecommunications service filed by an alternative local exchange telecommunications company, and for all existing alternative local exchange telecommunications companies, the commission shall waive, at a minimum, the application and enforcement of its quality of service and billing standards rules, as well as the provisions of subsection 2 of section 392.210, subsection 1 of section 392.240, and sections 392.270, 392.280, 392.290, 392.300, 392.310, 392.320, 392.330, and 392.340. Notwithstanding any other provision of law in this chapter and chapter 386, RSMo, *where an alternative local exchange*

telecommunications company is authorized to provide local exchange telecommunications services in an incumbent local exchange telecommunications company's authorized service area, the incumbent local exchange telecommunications company may opt into all or some of the above-listed statutory and commission rule waivers by filing a notice of election with the commission that specifies which waivers are elected. In addition, where an interconnected voice over internet protocol service provider is registered to provide service in an incumbent local exchange telecommunications company's authorized service area under section 392.550, the incumbent local exchange telecommunications company may opt into all or some of the above-listed statutory and commission rule waivers by filing a notice of election with the commission that specifies which waivers are elected.

(Emphasis added).

5. Stoutland is an incumbent local exchange telecommunications company as that term is used in Section 392.420. Furthermore, in the attached Memorandum, labeled as Appendix A, Staff states its position that prior Commission cases adequately demonstrate both that alternative local exchange telecommunications companies and interconnected voice over internet protocol service providers are authorized or registered to provide service in the Company's service territory.

6. Stoutland is currently compliant in obligations relating to Commission assessment, Missouri Universal Service Fund, Relay Missouri, and the submission of an annual report.

WHEREFORE, Staff recommends that the Commission acknowledge Stoutland's election to opt into the waivers listed in its *Notice of Election for Waiver of Commission Rules and Statutes* and direct Stoutland to list these tariffs in the Company's tariffs.

Respectfully submitted,

/s/ Eric Dearmont

Subject: Request for Waivers

Date: November 20, 2008

New London Telephone Company, Orchard Farm Telephone Company, Peace Valley Telephone Company, and Stoutland Telephone Company, incumbent local exchange and competitive telecommunications companies, filed a Notice of Election for Waiver of Commission Rules and Statutes pursuant to Section 392.420, RSMo, as amended by House Bill 1779, effective August 28, 2008. The Commission Staff (Staff) has no objections to the requested waivers identified in the filings.

In Case No. TA-2009-0083, Verizon Access Transmission Services (Verizon) obtained authority to expand its certificated area to provide service in all Missouri exchanges, including those of the above named incumbent local exchange carriers. In Case No. TA-2009-0108, XO Communications Services, Inc. (XO) obtained authority to expand its certificated area to provide service in all Missouri exchanges, including those of the above named incumbent local exchange carriers. Although both Verizon and XO were granted statewide authority, Staff notes that neither carrier has filed the necessary tariffs to effectuate its certificate and neither carrier has indicated the presence of customers in any area served by the above named local exchange carriers.

In Case No. DA-2009-0096, Verizon Business Services was issued a VoIP registration to provide service statewide. In Case No. DA-2009-0107, XO was issued a VoIP registration to provide service statewide. Although these VoIP telephone companies have been granted authority to provide service in the above named company areas, Staff notes that neither Verizon or XO have as yet indicated the presence of customers in any area served by the above named local exchange carriers.

New London Telephone Company, Orchard Farm Telephone Company, Peace Valley Telephone Company, and Stoutland Telephone Company requests the Commission waive the following:

4CSR 240-3.550 (4) and (5) (A)

392.290
392.300
392.310
392.320
