OF THE STATE OF MISSOURI**

In the Matter of the Notice of Election for)	
Waiver of Commission Rules and Statutes)	File No. IE-2011-0414
Pursuant to Section 392.420, RSMo,)	
As Amended by HB 1779)	

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On June 29, 2011, Green Hills Telephone Corporation (“the Company”) filed notification with the Missouri Public Service Commission that it elected the waiver of a statutory provision pursuant to §392.420 RSMo Supp 2008.

2. Section 392.420 RSMo Supp 2008 states in relevant part:

In the case of an application for certificate of service authority to provide basic local telecommunications service filed by an alternative local exchange telecommunications company, and for all existing alternative local exchange telecommunications companies, the commission shall waive, at a minimum, the application and enforcement of its quality of service and billing standards rules, as well as the provisions of subsection 2 of section 392.210, subsection 1 of section 392.240, and sections 392.270, 392.280, 392.290, 392.300, 392.310, 392.320, 392.330, and 392.340. Notwithstanding any other provision of law in this chapter and chapter 386, RSMo, where an alternative local exchange telecommunications company is authorized to provide local exchange telecommunications services in an incumbent local exchange telecommunications company's authorized service area, the incumbent local exchange telecommunications company may opt into all or some of the above-listed statutory and commission rule waivers by filing a notice of election with the commission that specifies which waivers are elected.

3. The Company is an incumbent local exchange telecommunications company as that term is used in Section 392.420.3. The Company is an incumbent local exchange telecommunications company as that term is used in Section 392.420. The Staff’s position is that prior Commission cases, along with the most recent annual reports submitted by companies, adequately demonstrate that alternative local exchange

telecommunications companies are authorized to provide service in the Company's territory, although there is no evidence that any are currently providing service in the Company's territory.

4. The Company is currently compliant in obligations relating to Commission assessment, Missouri Universal Service Fund, Relay Missouri, and the submission of an annual report.

5. In the attached Memorandum, labeled Appendix A, the Staff recommends the Commission grant the waivers of 392.280 Accounting (depreciation/accounts).

WHEREFORE, Staff recommends that the Commission acknowledge the Company's election of the waiver and require it to file revised tariff pages that designate the statute waived.

Respectfully submitted,
