Re: Rescission of March 30, 2012, Notice of Election and of Withdrawal of Southwestern Bell Telephone Company, d/b/a/ AT&T Missouri Tariff

Dear Mr. Reed:

Southwestern Bell Telephone Company, d/b/a/ AT&T Missouri ("the Company") hereby rescinds its March 30, 2012, Notice of Election to be exempt from tariff filing requirements (which notice was to become effective May 1).

The Company also rescinds in its entirety its March 30, 2012, withdrawal of portions of the Long Distance Message Telecommunications Services Tariff, P.S.C. Mo. - No. 26. Specifically, the Company rescinds its withdrawal of the rates, charges and most of the terms and conditions of the Long Distance Message Telecommunications Services Tariff.

The Company hereby withdraws its March 30, 2012 tariff filing (Tracking No. JI-2012-0553) proposing to make tariff revisions to the Long Distance Message Telecommunications Services Tariff.

In light of this rescission, all of the provisions of the existing Long Distance Message Telecommunications Services Tariff shall remain intact and in full force and effect until further notice.

Please refer any questions on this matter to me on 314-331-1610.

Very truly yours,

/s/ Alan Kern
