RE: Cancellation of CLEC Certificate of Convenience and Necessity of
Logix Communications, LP dba Logix Fiber Networks

Dear Sir/Madam:

Logix Communications, LP ("Logix") dba Logix Fiber Networks notifies the Commission of its intent to cancel its telecommunications certification in the state of Missouri. Logix was granted its certification on September 24, 2002 in Case No. LA-2003-0027 under its prior name Western Communications, Inc. (Notification of that name change was provided to the Commission in 2006.)

Cancellation should be effective on December 22, 2020.

In addition to canceling our authorization as a telecommunications provider, all of our filed tariffs should similarly be deemed canceled.

Logix does not have any current customers in the state of Missouri. Moreover, it is our understanding that we are in compliance all Commission rules.

Thank you for your consideration of the above and the attached. Any questions about this tariff should be directed to my attention at (512) 615-4135.

Very truly yours,
