Re: Application of Rock Port Telephone Company and Fiber Four Corporation, Case No. TA-2000-663.

Dear Mr. Roberts:

On April 18, 2000, Rock Port Telephone Company and Fiber Four Corporation filed a Joint Application with the Commission requesting a certificate of service authority to provide intrastate interexchange and local exchange telecommunications service for Rock Port Telephone Company d/b/a Rock Port Long Distance and for authority to transfer certain assets from Fiber Four to Rock Port. Along with this Application, Rock Port filed a proposed tariff with a forty-five (45) day effective date. The tariff as filed bears an effective date of June 2, 2000. In order to provide time for the applicants to provide an additional document and additional time for the Commission Staff to consider this application and tariff filing, Rock Port and Fiber Four voluntarily extend the effective date of this proposed tariff revision to June 23, 2000.

Would you please bring this correspondence to the attention of the appropriate Commission personnel. If you have any questions regarding this matter, please call.

Sincerely,

BRYDON, SWEARENGEN & ENGLAND P.C.
