**Re: Osage Water Company**  
**Cases No. WR-2000-557; SR-2000-556**

Dear Mr. Roberts,

While attending the local public hearing in the above-styled cases on January 9, 2001, I was advised that Commissioner Murray did not receive a copy of the enclosed letter as an attachment to my "Notice to Advise Commission of Osage Water Company's Non-Compliance with the Commission's Order Regarding Notice of Pending Public Hearing."

As it appeared from the statements of Judge Mills and Commissioner Simmons that the letter was attached to most copies of the Notice filed January 5, 2001, I am not seeking to formally re-submit the notice. However, I am re-submitting the letter, which was attached to that notice at this time, and sending a copy of this letter and attachment to each commissioner. I ask that this letter and attachment also be filed in the case files for the above-styled cases.

Thank you for your assistance in this matter. If you have any questions, please feel free to contact me at 573-751-1304.

Sincerely,

  
M. Ruth O'Neill
