Re: File No. EO-2012-0142

Dear Mr. Woodruff:

Accompanying this letter are revised Evaluation, Measurement and Verification reports prepared by The Cadmus Group, Inc. for Ameren Missouri's residential energy efficiency programs for the 3<sup>rd</sup> Program Year of Ameren Missouri's Missouri Energy Efficiency Investment Act (MEEIA) plan approved in this docket. The revisions are non-substantive, and consist of corrections of typographical errors or formatting issues in the original reports that were submitted in this docket on May 16, 2016. The substance of the reports and their conclusions remain the same. Please also note that the reports prepared by ADM Associates for Ameren Missouri's business programs for the same program year, and that were also filed on May 16, are unchanged.

Please contact me should you have any questions.

Sincerely,

*/s/ James B. Lowery*
