## ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING INFOTELECOM, LLC AND BROADVOX-CLEC, LLC PARTIES

Issue Date: March 14, 2013

Effective Date: March 14, 2013

**Syllabus:** This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other parties to the interconnection agreement, Infotelcom, LLC (“Infotelcom”) and Broadvox-CLEC, LLC (“Broadvox”), as parties to this proceeding.

On March 13, 2013, Southwestern Bell Telephone Company, d/b/a AT&T Missouri (“AT&T Missouri”) filed an application with the Commission for approval of a negotiated interconnection agreement with Infotelcom and Broadvox under the provisions of the federal Telecommunications Act of 1996. Southwestern Bell Telephone Company, d/b/a AT&T Missouri states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with public interest, convenience and necessity, and not discriminatory to nonparty carriers.

Although Infotelcom and Broadvox are parties to the agreement, they did not join in the application. Because Infotelcom and Broadvox are necessary party to a full and fair

adjudication of this matter, the Commission will add Infotelcom and Broadvox as parties to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.
