| for Approval of an Amendment to an Interconnection |) | |
| Agreement Under the Telecommunications Act of 1996) |) | |

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and submits its Recommendation as follows:

1. On March 22, 2017, Southwestern Bell Telephone Company, d/b/a AT&T Missouri ("AT&T Missouri") filed with the Missouri Public Service Commission an Application for Approval of an Amendment to the Negotiated Interconnection Agreement executed between it and Preferred Long Distance, Inc., d/b/a Teleplex d/b/a Teleplex Communications ("Teleplex Communications").

2. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

3. In lieu of a Memorandum, Staff hereby states that the Amendment to the Interconnection Agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity. A copy of the Agreement was filed with the Application. AT&T Missouri is certificated with the Commission as an incumbent local exchange and

interexchange telecommunications company. Teleplex Communications is certificated with the Commission as a competitive local exchange telecommunications company.

WHEREFORE, Staff recommends the Commission approve the Application and direct the parties to submit to the Commission any modifications or amendments to the Interconnection Agreement.

Respectfully submitted,

/s/ Jamie S. Myers
