STATUS REPORT AND SCHEDULE OF ISSUES AND WITNESSES

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel and on behalf of the parties to this case, informs the Commission that the Parties are currently preparing and finalizing language for a proposed stipulation and agreement to resolve multiple issues in this case. In addition, based on the status of the settlement negotiations, the parties are planning on a schedule of issues and witnesses, Attachment 1 to this filing. The issues in the attached schedule are numbered to reflect the number in the "List of Issues" previously filed in EFIS. Finally, the parties have committed to flexibility in calling witnesses to accommodate any changes to witness schedules and availability, and may ask to call witnesses out of order on particular issues.

Respectfully submitted,

/s/ Curtis Stokes
