INITIAL RESPONSE TO NOTICE OF COMMUNICATION

On December 6, 2016, the Commission submitted a *Notice of Communication (Notice)*. The communication attached to that *Notice* consisted of an email sent by a representative of EnergySavvy regarding Union Electric Company, d/b/a Ameren Missouri's (Ameren Missouri) MEEIA Cycle 1 Heating and Cooling program.

Ameren Missouri takes the statements made by EnergySavvy in that email very seriously. Ameren Missouri remains confident in the work performed in MEEIA Cycle 1. However, Ameren Missouri intends to continue its internal review into the claims raised, and will submit a complete response to the Commission as soon as that review is complete.

Respectfully submitted,
