Re: Case No. EX-99-443

Dear Mr. Roberts:

On June 29, Edison Electric Institute ("EEI") submitted to you via overnight delivery for filing in Case No. HX-99-443 an original and fourteen copies of the Initial Comments of EEI. Subsequently, we have learned that the correct Case No. for our Initial Comments is EX-99-442. Accordingly EEI hereby respectfully requests that you withdraw our Initial Comments from Case No. HX-99-443 and file them in the Case No. in which we intended to file them, i.e., Case No. EX-99-442.

Thank you for your attention in this matter. EEI respectfully apologizes for any inconvenience that this erroneous Case No. designation may have caused.

Sincerely,

A handwritten signature in cursive script, appearing to read "Johannes W. Williams".
