SCOTT COUNTY COMMISSION
P.O. Box 188, 131 S. Winchester Street
Benton, Missouri 63736

March 29, 2018

Daniel Y. Hall
Chairman of Public Service Commission
110 Jefferson
Jefferson City MO 63924

Dear Chairman Hall and Commissioners:

The purpose of this letter is to request that the Missouri Public Service Commission take whatever steps necessary to prevent Liberty Utilities from increasing the gas rates for the Southeast Missouri District.

The increase of \$0.26 per CCF imposed on the Southeast district as of December 1, 2017, which was to cover the cost of wholesale gas, now makes us compatible with the other districts across the State.

Our District, which consists of eleven (11) Counties in Southeast Missouri includes four (4) of the six (6) poorest (poverty) Counties in the State of Missouri. We feel that this additional request of 14.8% increase is unfair to our already poverty stricken district.

Thank you for considering this request.

Sincerely,

Jamie Burger

Dennis Ziegenhorn
