Dear Mr. Roberts:

St. Joseph Light & Power Company ("Company") hereby withdraws filing #TF 2000 00882, made to implement a Voluntary Load Reduction Rider ("VLR") that allows participating customers to voluntarily reduce their electric loads in response to the Company's request for a reduction.

After consultation with the Missouri Public Service Commission Staff, language changes were made to the filed tariff sheets, necessitating this withdrawal. The Company will make a new filing on this matter.

If there are any questions, please contact me at 816/387-6253.

Sincerely,

Tim Rush, Manager  
Customer Operations
