the Telecommunications Act of 1996)

ORDER APPROVING INTERCONNECTION AGREEMENT

Issue Date: March 9, 2021

Effective Date: April 8, 2021

This order approves an Interconnection Agreement between the parties filed by Southwestern Bell Telephone Company, d/b/a AT&T Missouri (AT&T Missouri).

On January 28, 2021, AT&T Missouri filed an application with the Commission for approval of an adoption of the Interconnection Agreement between itself and Windstream Missouri, LLC (Windstream Missouri) under the provisions of the Federal Telecommunications Act of 1996. AT&T Missouri is certificated with the Commission as an incumbent local exchange carrier and a registered IVoIP provider. Windstream Missouri is certificated with the Commission as a competitive local exchange and interexchange carrier and is a registered IVoIP provider.

Although Windstream Missouri is a party to the Agreement, it did not join in the application. On February 3, 2021, the Commission issued an order making Windstream Missouri a party in this case and directing any party wishing to request a hearing to do so no later than February 18, 2021. No requests for hearing were filed.

Under Section 252(e) of the Act, any Interconnection Agreement adopted by negotiation must be submitted to the Commission for approval. The Commission may reject an Agreement if it finds that the Agreement is discriminatory or that it is not consistent with the public interest, convenience and necessity.

On March 4, 2021, the Staff of the Commission filed a recommendation. Staff recommends that the Agreement be approved and notes that the Agreement meets the limited requirements of the Act in that it is not discriminatory toward nonparties and is not against the public interest.

The Commission has considered the application, the supporting documentation, and Staff's recommendation. Based upon that review, the Commission finds that the Agreement meets the requirements of the Act in that it does not discriminate against a nonparty carrier and implementation of the Agreement is not inconsistent with the public interest, convenience and necessity.

THE COMMISSION ORDERS THAT:

1. The Interconnection Agreement between AT&T Missouri and Windstream Missouri, filed on January 28, 2021, is approved.
2. This order shall become effective on April 8, 2021.
3. This file may be closed on April 9, 2021.
