

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of the Application of Grain Belt Express)
Clean Line LLC for Approval of its Acquisition by) No. EM-2019-0150
Invenergy Transmission LLC)

APPLICATION TO INTERVENE
OF JOSEPH AND ROSE KRONER

Come now Joseph and Rose Kroner, husband and wife (“the Kroners”) and pursuant to Commission Rule 4 CSR 240-2.075 respectfully apply for intervention as parties in this case. In support of this Application, the Kroners state as follows:

1. The Kroners ask that communications to them regarding this case be directed to their attorney, whose contact information is provided below.

2. The Kroners are joint owners of a farm located in Randolph County, Missouri. Based upon information supplied to them by Grain Belt Express, the proposed transmission line would pass directly over the Kroners’ farm. In addition, they understand that the proposed line would cross their neighbors’ property, within approximately 500 feet from the Kroner residence.

3. Due to the negative impacts the proposed line would have on their property, the Kroners have long opposed the proposed Grain Belt project, and expect to oppose the joint Application filed in this case by Grain Belt and Invenergy.

4. The Kroners understand that if the Commission does not approve the sale of Grain Belt to Invenergy in this case, that Grain Belt would not have access to the resources of Invenergy to complete the Project. This in turn could affect the ability of Grain Belt to construct the proposed line. Therefore, as opponents of the Project, the Kroners have a definite interest in the outcome of this proceeding

5. For the reasons stated above, the Kroners have interests in this proceeding which are different from that of the general public. Those interests could be adversely affected if the Application in this case from Grain Belt and Invenergy is approved.

Wherefore, Joseph and Rose Kroner respectfully ask the Commission to grant this Application to Intervene.

Respectfully submitted,

/s/ Paul A. Agathen
