Honorable Judge Roberts,

Missouri Public
Service Commission

I am in receipt of Case #MC-2000-660.

The initial review of items of charge, I feel is largely a misunderstanding on the part of the inspectors including the Director of Manufactured Housing.

Consequently, this forces me to obtain legal council for either the voluntary mediation and/or a counter suit for determination of the proper interpretation of the rules set forth by the State of Missouri.

Please direct all inquiries and correspondence to Mr. Dan Carter of Fitzgerald, Fitzgerald, & Carter Attorneys, 219 N. Holden, Warrensburg, MO 64903, (660) 747-3188.

Respectfully,

Larry J. Meyer
President
