

EC-2023-0395

Brett Felber
VS
Ameren Missouri

To whom this may concern with the Commission and the Honorable Judge Clark. Unfortunately, at the evidentiary hearing proposed for August 30, 2023 I am extremely limited to what all will be presenting as I have refiled a complaint with the Attorney General's Office for the Breach of Contract and identity theft, as Ameren has failed to follow guidelines under FDCPA .

If Ameren wishes to provide the AG's Office all the paperwork that was requested on July 8, 2023 to the AG's Office regarding the balance or verification of debt they may choose to, otherwise, they have failed to produce the materials within the 30 day time line.

I have forwarded the AG's Office a copy of the breach of contract and neglect to honor and restore services and for failure to abide by the FDCPA letter.

If Ameren wants to further relay that to the AG's Office the complaint number is [REDACTED]

At this point there has been a severe amount of neglect, deception and deceitful business practices that Ameren has committed.

Unfortunately, I want Ameren investigated by the AG's Office and I and the dwelling owner of the premises will be pressing charges against Ameren on this matter. I have given Ameren a deadline before 2 pm today August 22, 2023 before I and the dwelling owner press charges against Ameren and other individuals involved in this matter.

Respectfully Submitted,
Brett Felber
