RE: **Case No. LN-2006-0427**
Notification of Corporate Conversion of Western Communications, Inc. to Logix
Communications, LP

Dear Sir/Madam:

Logix Communications failed to address the company's tariff. In the process of correcting this oversight, it was observed that for the State of Missouri the corporate name of the company has not been referenced. Instead, the tariff only references the "Logix Communications" assumed name. Because the "Logix Communications" assumed name is not changing, there are no changes to the tariff. For that reason, the substitute tariff is not being filed.

Notwithstanding the above, Logix Communications has no objection to filing a tariff if such a filing is warranted.

Enclosed are eight (8) copies of this letter and attachments. Please file stamp the extra copy and return in the enclosed self-addressed, stamped envelop.

Thank you for your consideration of the above and the attached. Any questions about this tariff should be directed to my attention at (512) 615-4135.

Very truly yours,
