to Revise Natural Gas Rate Schedules.) Tariff No. YG-2007-0384

SECOND ORDER GRANTING INTERVENTION

Issue Date: January 4, 2007

Effective Date: January 4, 2007

On December 1, 2006, Laclede Gas Company filed tariff sheets intended to initiate a general rate increase for natural gas service in Missouri. The Commission issued an order suspending the tariff sheets and directing notice on December 13, 2006. In that order, the Commission directed that interested parties should file their applications to intervene on or before January 3, 2007.

On December 19, 2006, the Missouri School Boards' Association, an association of 524 school districts in the State of Missouri, filed an application to intervene. No objections to the intervention were received.

The Commission finds that the request for intervention is in substantial compliance with Commission rule 4 CSR 240-2.075. The Commission further finds that the MSBA has an interest in this proceeding that is different from that of the general public. The Commission shall grant MSBA's request to intervene. MSBA is directed to comply with the procedural orders of this case.

IT IS ORDERED THAT:

1. The Missouri School Boards' Association's Application to Intervene is granted.

2. The Commission's Data Center shall add the Missouri School Boards' Association as a party to this case.

3. This order shall become effective on January 4, 2007.
