**ORDER DIRECTING THE PARTIES  
TO FILE AN ADDITIONAL PROGRESS REPORT**

Issue Date: August 31, 2010

Effective Date: August 31, 2010

On July 15, 2010, the Commission granted Staff’s motion to compel Atmos Energy Corporation to respond to certain data requests submitted by Staff. That order also directed the parties to file a progress report by August 13 that would include recommendations for the reestablishment of a procedural schedule. The parties filed a joint progress report on August 13 indicating Atmos has provided the information required by the order to compel. The progress report also indicated Staff and Public Counsel are evaluating that information but had not been able to address the matter of a procedural schedule. At their request, the Commission directed the parties to file an additional progress report, which they did on August 31.

The August 31 progress report indicates Staff and Public Counsel continue to evaluate the information provided by Atmos. The parties ask that they be allowed until September 30 to file an additional progress report to address the question of reestablishing a procedural schedule.

The parties’ request is reasonable, and the Commission will grant that request.

**THE COMMISSION ORDERS THAT:**

1. No later than September 30, 2010, the parties shall file, jointly or severally, a progress report including recommendations regarding reestablishment of a procedural schedule.
2. This order shall become effective immediately upon issuance.
