Aquila, Inc., dba**AQUILA NETWORKS** For All Territory Served by Aquila Networks – L&P and Aquila Networks – MPS
KANSAS CITY, MO 64138**RULES AND REGULATIONS
ELECTRIC****9.09 Residential Lighting Program**

- A. The Residential Lighting Program is a year-round program designed to encourage the replacement of (inefficient) incandescent light bulbs with Energy Star compact fluorescent light (CFL) bulbs. The Company will provide a rebate that covers a portion of the difference in cost between incandescent and CFL bulbs.
- B. As part of the Program, the Company will continue to provide funding for the annual Change A Light campaign (sponsored by the US Environmental Protection Agency) that occurs each fall administered by the Midwest Energy Efficiency Alliance (MEEA). The Company will also coordinate its year round efforts with MEEA.
- C. The Program is available to any of the Company's Missouri residential electric customers.
- D. Any retailer located in Aquila's Missouri service territory that has completed an agreement with the Company to sell CFL bulbs is eligible to participate in this program.
- E. Each participating customer completes a rebate form at check-out, provides the completed form to the retailer, and then receives a \$2 rebate for each applicable CFL purchased as an instant credit. Rebate forms are available at all participating retailer locations. The information collected through the rebate forms will serve to verify the number of CFLs installed in the Company's service territory and will provide customer contact information that may be used for program evaluation. The Company reimburses the retailer for the approved rebate plus a handling fee. Customer rebates must be redeemed through participating Missouri retailers located in Aquila's service territory. A list of participating retailers is available at the Company's website (www.aquila.com) or by calling the Company's customer service department. The rebate incentive would be limited to 6 bulbs per customer per visit.
- F. The program is voluntary and available to any residential customer. Participating retailers can be determined by visiting Company's website (www.aquila.com).
- G. The program will be offered annually for 5 years with an annual budget of \$49,900 in 2007, \$80,400 in 2008, \$116,600 in 2009, \$125,600 in 2010 and \$137,000 in 2011.
- H. The Company will submit a report on the Program to the Staff and OPC annually by May 15th. Each report will address the progress of the Program and provide an accounting of the funds spent on the Program during the preceding calendar year. The report will include the following information:
 - 1. Program expenditures
 - 2. Number of measures
 - 3. Program impacts

The report shall be subject to audit by the Commission Staff and OPC.
