Here's An Offer Just For You — A Valued Former Customer.

July 27, 2002

Dear Tom & Sue Hughes

Thousands of customers switch to AT&T every week, even without receiving the offer I'm about to present to you

But we're particularly interested in winning you back to the quality of AT&T Residential Long Distance Service, so I wanted to give you a good reason to come back right now

That's why we're offering you the attached \$75 check if you switch back to AT&T today

Chances are, no matter which long distance company you're with, you probably haven't seen the savings you were expecting. The fact is, calling plan rates among major long distance companies are competitive. But with AT&T, you'll receive quality service and a great value

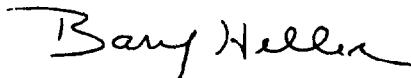

5¢ a minute nights and weekends.

That's right. With AT&T One Rate® Off-Peak II, all your state-to-state long distance calls from home are a low 5¢ a minute every weeknight after 7 p.m. and all day Saturday and Sunday — so you can save when you call the most. Weekdays, these same calls are just 10¢ a minute from 7 a.m. up to 7 p.m. (In-state rates may be higher.) It's a great value for just \$4.95 a month.*

It's easy to enroll in our 5¢ nights and weekends calling plan, and when you enroll by phone we'll even cover the cost of switching. Simply call 1 800 874-6159, ext. 17997, today for your check code. Then, just sign and cash your \$75 check by 8/26/02 — it's yours to spend as you please.

If you're not seeing the savings you expected from your current long distance company, or if the savings they offered you are running out, there's never been a better time to come back to AT&T.

Sincerely,

Marketing Manager, AT&T Consumer Residential Services
