ORDER DIRECTING FILING

On October 25, 2004, Northeast Missouri Rural Telephone Company filed a financing application, which the Commission approved by order issued November 30, 2004. Among other things, the order directed Northeast Missouri Rural Telephone Company to file the final terms and conditions for any refinancing that the company completes. The order provided that this filing should be made within 30 days of the completion of such transaction or transactions.

The Commission notes that the company has not filed a pleading regarding the final terms and conditions for any refinancing, and that there has been no activity in this case for over four months. The Commission will therefore direct Northeast Missouri Rural Telephone Company to file a status report.

IT IS THEREFORE ORDERED:

1. That no later than May 10, 2005, Northeast Missouri Rural Telephone Company shall file a status report as directed above.

2. That this order shall become effective on April 19, 2005.
