Quarterly Report - 04/15/2019

Report dates from 12/06/2018 - 03/31/2019

1. Evaluation of program:

As of April 8, 2019, the Company has received interest in the pilot program in the state of Missouri from 620 customers. Company estimates it will begin offering participation agreements in May 2019 to customers thru on-line portal. In next quarterly report, Company will be able to provide information regarding the level of capacity interest from customers.

At this time, there are no costs or revenues to report for the program.

2. Lessons Learned:

At this early stage in the pilot program, the Company has nothing to report in this area. This will be provided after sufficient interest has been received, solar resources have been acquired and the program is active.
