## Plaintiff's Motion for Dismissal of EC-2022-0148

COMES NOW, Keelee T. Swopshire, Esq., Attorney of Record and Plaintiff in this matter and files this Motion to Dismiss Case # EC-2022-0148 involving Union Electric Company d/b/a Ameren Missouri and the Missouri Public Service Commission. Plaintiff filed her Informal and Formal complaints in November and December 2021. In those complaints I reported inaccurate billing practices and possible fraud. I have tried to be professional and courteous during this six-month long process of a formal administrative complaint process with the Missouri Public Service Commission and Ameren Missouri; however, I have found that both the Missouri Public Service Commission and Ameren Missouri have been engaged in a practice of collusion and misinformation. I have reported these issues

with the Commission on several occasions and they were never addressed. Therefore, a hearing with the Missouri Public Service Commission is deemed in my opinion to be unsatisfactory and unecessary.

A hearing was scheduled for June 29, 2022 via WebEx at 9:00 a.m. I am now cancelling the formal and informal complaint with the Missouri Public Service Commission and requesting the Commission dismiss this matter with its quasi-adjudicative body as of June 22, 2022.

A notice has been sent to the opposing party, Ameren Missouri, and also to your Mr. Cosper of the Missouri Public Service Commission Staff.

Respectfully Submitted on June 22, 2022.
