Re: Request to intervene in case No. SO-2007-0071 et al.

Dear Secretary

My name is John Kolisch I own a company by the name of Kolisch Enterprises in Jefferson County, Missouri. My company is a retail and office rental. The building I had constructed borders the property of Raintree PLANTATION Subdivision, where The Jefferson County Central UTILITY Co. is located. In order to have sewer and water I had to pay for all the water lines and sewer lines from my property to where the sewer company left off in Raintree. The cost was to be paid back to me as hook on fees by Jefferson County Central Utility Co. I feel if the company is to change hands, The Jefferson County Central Utility Co. Should be ordered to honor thier written agreement. I have all the copies of the orders from the Mo. Public Service Commission setting the agreement and rules between Kolisch Enterprises and The Jefferson Couty Utility CO. I am owed \$34,645.95 in hook-on fees. If granted to intervene in this case I have all the documents to prove my case. Thank you and please grant my request. Yours John Kolisch, MY E-MAIL IS BASS9LB4OZ@AOL.COM 636-797-4552
