Infrastructure System Replacement Surcharge)	Tariff No. YG-2008-0644

**ORDER ESTABLISHING TIME TO RESPOND TO MOTION FOR
EXPEDITED TREATMENT AND STAFF RECOMMENDATION**

Issue Date: June 16, 2008

Effective Date: June 16, 2008

Laclede Gas Company filed an application and petition to change its Infrastructure System Replacement Surcharge (ISRS) on April 25, 2008. The Commission suspended the tariff that accompanied that application until August 23, as allowed by the controlling statute. On June 12, 2008, the Commission's Staff filed its recommendation advising the Commission to approve Laclede's application and implementing tariff.

On June 12, the Commission issued an order establishing June 23 as the deadline for any party to respond to Staff's recommendation. On June 13, Laclede filed a motion asking the Commission to approve its ISRS application and tariff to be effective no later than June 19. The motion represents that Staff and USW Local 11-6 do not object to the expedited approval of the application and tariff. However, it also indicates the other parties – The Missouri Industrial Energy Consumers and the Office of the Public Counsel – have not indicated whether they are willing to agree to the request for expedited approval.

The Commission is willing to expedite its consideration of Laclede's application and tariff, but only if that expedited consideration does not infringe on the right of the other parties to make their views known. Therefore, the Commission will establish June 18 as

the deadline for any party wishing to object to either Laclede's motion for expedited treatment, or the underlying application.

IT IS ORDERED THAT:

1. Any party wishing to object to either Laclede Gas Company's Motion for Expedited Treatment or Laclede Gas Company's Application and Petition to Change its Infrastructure System Replacement Surcharge shall do so no later than June 18, 2008.
2. This order shall become effective on June 16, 2008.
