ORDER GRANTING EXPEDITED TREATMENT AND DIRECTING FILING

Issue Date: February 25, 2010

Effective Date: February 25, 2010

The Missouri Public Service Commission is directing its staff to file a recommendation as to the above-numbered compliance tariff on an expedited basis. Atmos Energy Corporation ("Atmos") sought expedited treatment for such tariff by *Motion for Expedited Treatment* filed on February 25, 2010, arguing that Staff has already described the tariff that this Commission should approve in the *Staff Recommendation*, and that such treatment may make the tariff effective for Atmos' next billing cycle. The Commission will grant that motion.

THE COMMISSION ORDERS THAT:

1. No later than March 2, 2010, Staff shall file its recommendation as to the compliance tariff assigned Tracking No. YG-2010-0525.
2. This order shall become effective immediately on issuance.
