## ORDER DIRECTING FURTHER REPORT

Issue Date: January 10, 2023

Effective Date: January 10, 2023

On April 6, 2022, at the request of the Commission's Staff (Staff), the Commission opened an investigation into Spire Missouri, Inc. d/b/a Spire's (Spire) compliance with the Commission's gas safety rules. Staff was concerned that the timeliness of Spire's efforts to locate and mark its natural gas pipelines to prevent damage to those pipelines by excavators has been declining in recent years. Staff asked the Commission to open an investigation to gather more information on the reasons for the decreasing trend in locate timeliness and what Spire is doing to improve the timeliness of its locates. The Commission ordered Staff to file a progress report about its investigation by January 11, 2023. Staff filed its progress report on January 10.

Staff reports that its investigation is ongoing and that it needs more time to complete that investigation and to finalize its investigation report. Staff asks that it be allowed until April 11, 2023, to file either file its final report, or to file a further progress report about its investigation. The Commission will grant Staff's request.

### THE COMMISSION ORDERS THAT:

1. Staff shall file either a final report, or a further progress report regarding its investigation, no later than April 11, 2023.

2. This order shall be effective when issued.
