**ORDER APPROVING EXPEDITED TARIFF**

Issue Date: November 23, 2009

Effective Date: November 30, 2009

On November 17, 2009, Union Electric Company d/b/a AmerenUE issued a tariff to increase funding for its Missouri Energy Efficient Natural Gas Equipment Rebate Program. AmerenUE's tariff carries a December 17 effective date, but along with its tariff, AmerenUE filed a motion asking the Commission to approve the tariff to take effect on November 30.

In response to AmerenUE's request for expedited treatment, the Commission ordered its Staff to file a recommendation regarding the tariff by November 20. The Commission also ordered that any other party wishing to file a recommendation do so by November 20. Staff filed its recommendation on November 20. No other party filed a recommendation.

Staff explains AmerenUE's tariff will increase funding for the rebate program to \$187,000 to satisfy a higher than anticipated response to the program. AmerenUE will draw the additional funding from unused funds from the discontinued Scott-Stoddard Program. Staff also indicates AmerenUE made this tariff adjustment in response to a

recommendation from the AmerenUE Gas Collaborative. Staff advises the Commission to approve the tariff on an expedited basis.

For good cause shown, as allowed by Section 393.140(11) RSMo 2000, the Commission will approve the submitted tariff to take effect on less than 30-days notice.
