

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Sprint Missouri, Inc.)	Case No. IO-2006-0092
Application for competitive classification)	
under Section 392.245.5 RSMo (2005))	

STIPULATION

Pursuant to 4 CSR 240-2.115, Sprint Missouri, Inc ("Sprint"), Staff of the Missouri Public Service Commission ("Staff"), Office of Public Counsel ("OPC") and Fidelity Communications Services I, Inc. ("Fidelity") (collectively "the "Parties") submit this Stipulation as a proposed resolution of the above-captioned case.

1. In the Order Directing Notice, Establishing Procedural Schedule, Reserving Hearing Date and Granting Protective Order (the "Order") of September 2, 2005, the intervention deadline was established as September 7, 2005, and that date has passed. The only parties to this case are the Parties identified above.

2. In the Order, the deadline for Staff to submit recommendations or objections was established as September 9, 2005. On September 9, Staff submitted its recommendation with supporting memorandum and schedules. On September 13, 2005, the Staff filed a verification to its memorandum. The Staff recommendation, supporting memo, schedules, and verification are incorporated by reference. The Staff recommendation fully endorsed approval of Sprint's verified Amended Application as amended on September 9, 2005 and which is incorporated by reference. That amendment by Sprint removed all references to the Fort Leonard Wood exchange. Pursuant to that amendment, Sprint does not seek any relief in the Fort Leonard Wood exchange in this proceeding.

3. In the Order, the objection deadline was established as September 9, 2005, and that date has passed. The only party filing a timely objection was Fidelity. Fidelity conditionally objected to Sprint's original request for relief in the Fort Leonard Wood exchange as described in Sprint's original Application. However, Fidelity indicated that if Sprint's motion to amend its Application to drop any request for relief in the Fort Leonard Wood exchange was granted, then, Fidelity would have no further objection. The Commission granted Sprint's Motion to Amend on September 13, 2005.

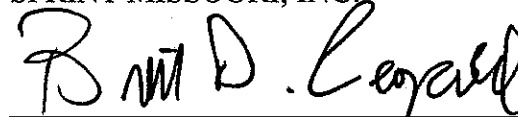

4. The Parties reserve their right to all objections and arguments in future proceedings. This Stipulation applies only to the unique facts and circumstances set forth in this proceeding.

5. Accordingly, the Parties stipulate to the following matters:

- a) the Parties stipulate that no party opposes the recommendation, supporting memo and schedules filed by the Staff on September 9, 2005. Accordingly, they should be endorsed and adopted by the Commission in its final Order;
- b) the Parties stipulate that no Party opposes Sprint's Amended Application;
- c) the Parties waive an evidentiary hearing in this proceeding.

Respectfully submitted this 13th day of September, 2005,
