Subject: Definition of Shared Net Benefits for SB376/MEEIA rule

Hello John,
Please find the attached definition of "shared net benefits" for inclusion in the SB376/MEEIA Rule. The memo provides the definition, some background of this definition, and a linkage between the definition and the incentive graph included in the June 9 rule.

Please add this to EW-2010-0265.

Cheers--
Adam Bickford
