File No. IK-2010-0046

ORDER DIRECTING NOTICE AND MAKING SPRINT SPECTRUM, L.P. A PARTY

Issue Date: August 5, 2009

Effective Date: August 5, 2009

This order provides notice of this application to interested parties and joins the other party to the interconnection and reciprocal compensation agreement, Sprint Spectrum, L.P. ("Sprint PCS"), as a party to this proceeding.

On August 3, 2009, Lathrop Telephone Company filed an application with the Commission for approval of an interconnection and reciprocal compensation agreement with Sprint PCS under the provisions of the federal Telecommunications Act of 1996. Lathrop states that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is not discriminatory to nonparty carriers and is consistent with the public interest. Lathrop requests expeditious approval of the agreement.

Although Sprint PCS is a party to the agreement, it did not join in the application. Because Sprint PCS is a necessary party to a full and fair adjudication of this matter, the Commission will add it as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a

telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.¹ Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. Therefore, the Commission will proceed with this case expeditiously. The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

THE COMMISSION ORDERS THAT:

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Sprint Spectrum, L.P. is made a party to this case.
3. Any party wishing to request a hearing shall do so by filing a pleading no later than August 25, 2009, with:

5. This order shall become effective on August 5, 2009.
