RE: IO-2006-0109

Dear Secretary Dale:

Attached please find the Response of Verizon Wireless to the Commission's Order issued and effective September 22, 2005 in the above-referenced case. Please file this Response in your usual manner, and direct any questions you may have directly to the undersigned.

The submitted Affidavit provides the best information available to Verizon Wireless as of submission (given the one (1) business day opportunity to investigate the questions posed by the Commission in its Order). Verizon Wireless is continuing to review information in its possession as to the questions posed, and will provide an additional response as soon as such information becomes available.

While more than willing to assist the Commission in its deliberations in connection with the issues posed in this case by filing the information being sought by the Commission, Verizon Wireless is not, and shall not be deemed by this filing, to be submitting to the jurisdiction of the Commission.

Thank you for your attention to and assistance with this matter.

Very truly yours,

Thomas E. Pulliam
