Issue Date: May 1, 2017

Effective Date: May 1, 2017

This order directs that notice of this case be sent to all certificated interexchange and basic local exchange telecommunications companies in the state of Missouri and to the North American Numbering Plan Administrator. The order also establishes dates for the filing of requests to intervene and for the filing of recommendations.

On May 1, 2017, Windstream Missouri, LLC, filed an Application and Motion for Expedited Treatment under 47 C.F.R. 52.15(g)(3)(iv) requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Administrator (NANPA), NeuStar, Inc., to withhold certain numbering resources from Windstream. The numbering resources Windstream requested consist of Location Routing Numbers (LRNs) NXX codes and thousand number blocks in the Verona rate center. The numbering resources are needed to complete the Connect America Fund Phase 2 (“CAF2”) project.

interventions as directed below. The Commission will also direct its Data Center to send a copy of this order to each certificated interexchange and basic local exchange telecommunications company in Missouri. In addition, the Data Center shall send a copy of this order to the North American Numbering Plan Administrator, NeuStar, Inc.

The Commission will also direct its Staff to file a recommendation and will establish a date by which any other party wishing to respond must file a recommendation.

IT IS ORDERED THAT:

1. The Data Center shall send a copy of this order to each certificated interexchange and basic local exchange telecommunications company in Missouri and to the North American Numbering Plan Administrator, NeuStar, Inc.

2. Any party wishing to intervene or to request a hearing shall do so by filing an appropriate pleading no later than May 12, 2017, with:

3. The Staff of the Commission shall file a recommendation regarding the application of Windstream or shall file a status report indicating when a recommendation will be filed, no later than May 12, 2017.

4. Any other party that wishes to file a recommendation regarding the application of Windstream, shall do so no later than May 12, 2017, and shall file its recommendation simultaneously with its application to intervene.
