**MOTION FOR CORRECTION**

COMES NOW Green Hills Telephone Corporation ("Green Hills") and for its

*Motion for Correction* states to the Commission as follows:

1. On December 18, 2002, Green Hills filed its *Application for Approval of a Traffic Termination Agreement*.
2. On March 17, 2003, the Commission issued an *Order Approving Interconnection Agreement* in this case. The title of the Commission's *Order* refers to the agreement between Green Hills and Verizon Wireless as an "Interconnection" Agreement rather than a "Traffic Termination" Agreement.
3. Green Hills requests that the Commission issue a corrected *Order* with the following changes:
  - (A) The caption of the *Order* changed to *Application of Green Hills Telephone Corporation for Approval of a Traffic Termination Agreement under the Telecommunications Act of 1996*.
  - (B) The title changed to *Order Approving Traffic Termination Agreement*.

- (C) The first sentence of the *Order* revised to read as follows: "This order approves the Traffic Termination Agreement executed by the parties and filed by Green Hills Telephone Corporation."
- (D) The deletion of footnote 1.
- (E) That the first ordered paragraph on page five of the *Order* be revised to read as follows: "1. That the Traffic Termination Agreement between Green Hills Telephone Corporation and Verizon Wireless, LLC, filed on December 18, 2002, shall be approved."

4. **This Commission has issued other orders approving Traffic Termination Agreements.** See e.g. *Application of BPS Telephone Company for Approval of a Traffic Termination Agreement under the Telecommunications Act of 1996*, Case No. IO-2003-0207, *Order Approving Traffic Termination Agreement*, issued Feb. 3, 2003; *Application of Rock Port Telephone Company for Approval of a Traffic Termination Agreement under the Telecommunications Act of 1996*, Case No. IK-2003-0259, *Order Approving Traffic Termination Agreement*, issued Mar. 4, 2003.

5. **The Commission has issued numerous orders approving "Resale" Agreements.**<sup>1</sup> In these cases, the Commission referred to the agreements as "resale"

agreements rather than "interconnection" agreements. These orders demonstrate that the Act does not require the Commission to refer to every agreement it approves in accordance with Section 252 of the Act as an "interconnection" agreement.

6. **Other state commissions have issued orders approving Traffic Termination Agreements.** For example, the Florida Public Service Commission has issued a number of orders that approve traffic termination agreements. See e.g. Attachment A (*In re: Request by Vista-United Telecommunications for Approval of an Interim Traffic Termination and Billing Agreement with 2<sup>nd</sup> Century Communications*, Docket No. 000188-TP, *Order Approving Interim Traffic Termination and Billing Agreement*, issued April 21, 2000).

7. **Agreement Reached and Relief Sought.** Green Hills' *Application* seeks Commission approval of a "Traffic Termination" Agreement, and the Agreement between Green Hills and Verizon Wireless is clearly marked in boldfaced, underlined

*Global Connection*, Case No. TO-2002-418, *Order Approving Resale Agreement*, issued April 11, 2002; *Application of Sprint for Approval of Resale Agreement with Texas Hometel*, Case No. TO-2002-410, *Order Approving Resale Agreement*, issued April 11, 2002; *Application of Sprint for Approval of Resale Agreement with Metro Teleconnect*, Case No. TO-2002-417, *Order Approving Resale Agreement*, issued April 9, 2002; *Application of Spectra for Approval of Resale Agreement with Cat Communications International*, Case No. TO-2002-230, *Order Approving Resale Agreement*, issued Jan. 10, 2002; *Application of Verizon for Approval of Resale Agreement with Preferred Carrier Services*, Case No. TO-2002-166, *Order Approving Resale Agreement*, issued Nov. 26, 2001; *Application of Local Line America for Approval of Resale Agreement with ALLTEL*, Case No. TO-2002-166, *Order Approving Resale Agreement*, issued Oct. 31, 2001.

type as a **TRAFFIC TERMINATION AGREEMENT**. The express terms of the Agreement explain that it is a traffic termination agreement executed pursuant to 47 U.S.C. 251(b)(5) and "**is not an interconnection agreement under 47 U.S.C. 251(c)**." See Agreement, Section 20.1 (page 17 of 20) (emphasis added).

8. **Alternative**. If the Commission does not want to refer to the agreement as a Traffic Termination Agreement, then Green Hills respectfully requests that the title of the Order simply be changed to *Order Approving Agreement*.

WHEREFORE, Green Hills respectfully requests the Commission to issue an Order that makes the corrections listed above and grants such other relief as is reasonable in the circumstances.

Respectfully submitted,

**OPINION: ORDER APPROVING INTERIM TRAFFIC TERMINATION AND BILLING AGREEMENT**

**BY THE COMMISSION:**

On February 15, 2000, Vista-United Telecommunications (Vista-United) and 2nd Century Communications, Inc. (2nd Century Communications) filed a request for approval of an interim traffic and billing agreement pursuant to 47 U.S.C. § 252(e) of the Telecommunications Act of 1996 (the Act). The agreement is incorporated by reference herein. A copy of the agreement may be obtained from the official docket file by contacting our Division of Records and Reporting.

Both the Act and Chapter 364, Florida Statutes, encourage parties to enter into negotiated agreements to bring about local exchange competition as quickly as possible. Under the requirements of 47 U.S.C. § 252(e), negotiated agreements must be submitted to the state commission for approval. Section 252(e)(4) requires the state to reject or approve the agreement within 90 days after submission or it shall be deemed approved.

This agreement covers a two-year [\*2] period and governs the relationship between the companies exchange of local traffic and toll traffic pursuant to 47 U.S.C. § 251. Under 47 U.S.C. § 252(a)(1), the agreement shall include a detailed schedule of itemized charges for interim traffic and billing and each service or network element included in the agreement.

Upon review of the proposed agreement, we believe that it complies with the Act; thus, we hereby approve it. Vista-United and 2nd Century Communications are also required to file any subsequent supplements or modifications to their agreement with the Commission for review under the provisions of 47 U.S.C. § 252(e).

Based on the foregoing, it is

**ORDERED** by the Florida Public Service Commission that the interim traffic and billing agreement between Vista-United Telecommunications and 2nd Century Communications, Inc., is incorporated by reference in this Order, and is hereby approved. A copy of the agreement may be obtained as specified in the body of this Order. It is further

**ORDERED** that any supplements or modifications to this agreement must be filed with the Commission for review under the provisions of 47 U.S.C. § 252(e). It is further

**ORDERED** that this Docket shall [\*3] be closed.

By ORDER of the Florida Public Service Commission, this 21st day of April, 2000.
