**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

<b>In the Matter of the Application of</b>	)	
<b>MMC Missouri LLC</b>	)	<b>Case No. KA-2008-0061</b>
<b>For Video Service Authorization</b>	)	

**REQUEST FOR DELAY IN ISSUANCE OF ORDER**

**COMES NOW** the Greene County, Missouri, and requests that this Commission not issue its Order for a Video Authorization to provide video service within the unincorporated areas of Greene County, Missouri for MMC Missouri LLC (hereinafter "Company") until March 7, 2008, thirty days after the filing of the Notice of Change of Application, for the following reasons:

1. The Company has abandoned the refranchising process under federal law.
2. Greene County, Missouri had in place prior to the effective date of SB 284 a master video franchise with the applicant that, in the absence of a statewide authorization, would control the provision of video service within the unincorporated areas of Greene County, Missouri.
3. The County did not receive notice of this Notice of Change of Application, but was recently informed that it had to be filed by counsel for the City of Springfield listed on the certificate of service.
4. That the County requires the full remaining thirty (30) days notice to consider its options under federal and state law with respect to response, if any, to the Company's notice.

5. That the Commission is not obligated to issue any order until thirty (30) days has passed after the filing of the Notice of Change, under Section 67.2679.7, RSMo Supp 2007, which would not be any earlier than March 7, 2008.

**WHEREFORE**, Greene County, Missouri requests that the Commission not issue an order authorizing the Company to provide video service within the unincorporated areas of Greene County, Missouri before March 7, 2008.

Respectfully submitted,

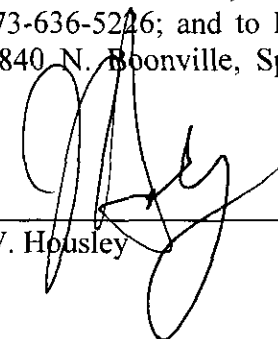

OFFICE OF GREENE COUNTY COUNSELOR
