## ORDER DIRECTING NOTICE, ESTABLISHING TIME FOR FILING REQUESTS TO INTERVENE, AND ESTABLISHING TIME FOR FILING RECOMMENDATIONS

Issue Date: May 10, 2023

Effective Date: May 10, 2023

This order directs that notice of this case be sent to all certificated interexchange and basic local exchange telecommunications companies in the state of Missouri and to the North American Numbering Plan Administrator. The order also establishes dates for the filing of requests to intervene and for the filing of recommendations.

On May 8, 2023, Teleport Communications of America, LLC (Teleport), completed the filing of its application under 47 C.F.R. 52.15(g)(3)(iv) requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Administrator (NANPA), SomosGov, Inc., to withhold certain numbering resources from Teleport. The numbering resources Teleport requested consist of 1,000 consecutive numbers in the Harvester, Missouri rate center for Number Plan Area (NPA) 636. The numbering resources are needed to meet the needs of BJC HealthCare.

The Commission finds that proper persons should be allowed to file a request for intervention or a motion for hearing. Therefore, the Commission will set a time for interventions as directed below. The Commission will also direct its Data Center to send a copy of this order to each certificated interexchange and basic local exchange telecommunications company in Missouri. In addition, the Data Center shall send a copy of this order to the North American Numbering Plan Administrator, SomosGov, Inc.

The Commission will also direct its Staff to file a recommendation and will establish a date by which any other party wishing to respond must file a recommendation.

**THE COMMISSION ORDERS THAT:**

1. The Data Center shall send a copy of this order to each certificated interexchange and basic local exchange telecommunications company in Missouri and to the North American Numbering Plan Administrator, SomosGov, Inc.

3. The Staff of the Commission shall file a recommendation regarding the application of Teleport or shall file a status report indicating when a recommendation will be filed, no later than June 8, 2023.
