**NOTICE OF TRANSFER OF ASSETS AND
MOTION FOR EXPEDITED TREATMENT
OF AMENDED TARIFF**

COMES NOW Missouri-American Water Company (MAWC) and for its Notice of Transfer of Assets and Motion for Expedited Treatment of Amended Tariff states as follows:

1. In its November 3, 2010 Order Approving Transfer of Assets (Order), the Missouri Public Service Commission ordered MAWC to “notify the Commission within five business days after the assets have been transferred.”
2. MAWC hereby notifies the Commission that the assets were transferred earlier today, January 21, 2011.
3. The Order also states: “Upon transfer of the assets, Missouri-American Water Company shall amend its Joplin tariff to include the area previously served by Loma Linda Water Company.”
4. MAWC is filing the amended sheets of its Joplin tariff contemporaneously herewith, with a Date of Issue of January 21, 2011. A copy of the amended tariff sheets is attached as Exhibit A.
5. An amended tariff generally becomes effective 30 days after date of issue. MAWC is seeking expedited treatment for the approval of the amended tariff within 10 days, that is, January 31, 2011. There will be no negative effect on MAWC’s new customers in Loma

Linda, or on the general public, if the Commission acts by January 31, 2011.

6. This Motion for Expedited Treatment was filed as soon as it could have been – the very same day the assets of Loma Linda Water Company were transferred to MAWC, per the Commission’s Order that the amended Joplin tariff be filed “upon transfer of the assets.”

WHEREFORE, MAWC prays that the Commission issue its order approving the amended sheets of MAWC’s Joplin tariff by January 31, 2011.

Respectfully submitted,
