- (b) an associated converter station in Ralls County, Missouri and alternating current (“AC”) interconnecting facilities.

Both the HVDC transmission line and the converter station facilities will be built to deliver low-cost, wind-generated energy from western Kansas to load and population centers in Missouri, Illinois, Indiana and other states in the region.

2. Grain Belt Express is a limited liability company organized under the laws of the State of Indiana and is qualified to conduct business in the State of Missouri for the purpose of carrying on any lawful business purpose allowed under Missouri law, which includes constructing, owning, operating, managing and maintaining electric transmission facilities. Copies of its certificate of formation and its authorization to do business in Missouri as a foreign-chartered limited liability company are attached as Exhibit 1, pursuant to 4 CSR 240-2.060(1)(C). The principal office and place of business of Grain Belt Express is located at 1001 McKinney Street, Suite 700, Houston, Texas 77002.

3. Grain Belt Express is a wholly owned subsidiary of Grain Belt Express Holding LLC, a Delaware limited liability company, which is a wholly owned subsidiary of Clean Line Energy Partners LLC (“Clean Line”), a Delaware limited liability company. The primary owners of Clean Line are GridAmerica Holdings, Inc. (“GridAmerica”) and Clean Line Investor Corp., a subsidiary of ZAM Ventures, LP (“ZAM Ventures”). GridAmerica is a subsidiary of National Grid USA, which is a subsidiary of National Grid plc. National Grid plc and its affiliates are one of the largest investor-owned utility companies in the world and have extensive experience building, owning and operating transmission networks in the United States and the United Kingdom. National Grid USA delivers electricity to more than three million customers in Massachusetts, New York and Rhode Island. ZAM Ventures is the principal investment vehicle
