## ORDER DIRECTING RESPONSE

Issue Date: August 1, 2013

Effective Date: August 1, 2013

In an order issued on July 1, 2008, the Commission approved a stipulation and agreement that resolved the complaint brought by the Director of the Manufactured Housing and Modular Units Program of the Missouri Public Service Commission against Amega Sales, Inc. One provision of that stipulation and agreement required Amega Sales and its owner to establish an irrevocable letter of credit in the amount of \$70,000 to be used to complete any necessary repairs to homes sold by Amega that were damaged in transit. The stipulation and agreement provided that the letter of credit could be terminated after the passage of five years and the payment of any claims made against the letter of credit during those five years. On July 31, 2013, Amega Sales filed a motion asking the

Commission to terminate the letter of credit since five years have now passed and no claims have been made against the letter of credit.

Before acting on Amega Sales' motion, the Commission will order the Director to respond.

**THE COMMISSION ORDERS THAT:**

1. The Director of the Manufactured Housing and Modular Units Program of the Missouri Public Service Commission shall respond to Respondent's Motion to Terminate Letter of Credit and to Authorize Return of Letter of Credit no later than August 30, 2013.

2. Any other party wishing to respond to Respondent's Motion to Terminate Letter of Credit and to Authorize Return of Letter of Credit shall do so no later than August 30, 2013.

3. This order shall become effective upon issuance.
