COMES NOW the Staff of the Missouri Public Service Commission, through counsel, and for its *Staff Status Report and Recommendation to Close This Case File* states:

1. Staff filed a subsequent complaint (see Case File No. GC-2022-0087) against Spire as a follow up to the investigation Staff conducted in this matter. In Staff's complaint, Staff again stated the same recommendations that were included in its Gas Incident Report filed in this matter on June 30, 2021. Staff's investigation in this matter is complete and Staff recommends this Commission close this case file.

2. On January 20, 2022, Staff and Spire filed a *Stipulation and Agreement* ("Agreement"), in Case File No. GC-2022-0087 to resolve all issues in that case. The Commission approved the Agreement in an order issued on February 2, 2022. Some of the actions agreed to in the Agreement are forthcoming, and as such, Staff recommends that Case File No. GC-2022-0087 remain open.

WHEREFORE, Staff submits its *Staff Status Report and Recommendation to Close This Case File* and requests the Commission close this case file.
