### ORDER ESTABLISHING ACA BALANCE

Issue Date: April 14, 2021 Effective Date: May 14, 2021

The Commission opened this case to receive the 2018-2019 Purchased Gas Adjustment (PGA) and Actual Cost Adjustment (ACA) filings of Summit Natural Gas of Missouri, Inc. (Summit). As directed, the Staff of the Commission (Staff) filed a recommendation regarding that ACA filing on December 15, 2020. While awaiting Summit's response, Staff filed an amended recommendation on March 19, 2021. It indicated Staff had completed an audit of billed revenues and actual natural gas costs for the period from 2018 and 2019 that were included in Summit's computation of its ACA balances.

Staff's recommendation and memorandum sets out the ending balances contained in Summit's ACA filing and recommends that the Commission issue an order requiring Summit to reflect Staff's recommended ending (over/ under) recovery ACA balances per the tables below for the former SMNG Service Area<sup>2</sup> (Rogersville and Branson Divisions), the Northern Service Area (Gallatin Division), and the Southern Service Area (Warsaw

and Lake of the Ozarks Division). Staff also noted some non-monetary concerns and recommendations regarding Summit's policies and practices.

On March 23, Summit filed its Response to Staff's Amended Recommendation and Memorandum indicating its agreement with Staff's amended recommendation. On March 24, the Commission issued its order setting April 2 as the deadline for responding to Summit's March 23 pleading. No response was received. After reviewing Staff's recommendations and Summit's response, the Commission concludes that Staff's ending ACA balances should be accepted as a resolution of Summit's 2018-2019 ACA audit.
