ORDER SETTING LOCAL PUBLIC HEARINGS

Issue Date: May 5, 2021

Effective Date: May 5, 2021

On December 11, 2020, Spire Missouri Inc. d/b/a Spire filed tariff sheets designed to implement a general rate increase for natural gas service, and to consolidate, to the extent possible, the rate structures of its two service areas known as Spire East and Spire West.

On February 3, 2021, the Commission issued an *Order Setting Procedural Schedule* which set a procedural schedule, including an evidentiary hearing in this matter, but did not set out the details for the local public hearings. On April 22, 2021, the parties jointly submitted a proposed hearing schedule, which the Commission finds reasonable and will implement without change.

The Commission will now set the local public hearings. Due to the Covid-19 pandemic, the Commission will hold these hearings via video and telephone conference and will direct written comments be submitted to the Commission's Electronic Filing and Information System (EFIS).

THE COMMISSION ORDERS THAT:

1. The Commission's Public Policy and Outreach Department shall make an informal presentation and conduct a question-and-answer session for the public at the beginning of each local public hearing. The formal hearing will begin at the conclusion of the question and answer session.

2. Spire Missouri Inc., the Staff of the Missouri Public Service Commission (Staff), and the Office of the Public Counsel shall make a representative available to address substantive issues during the question-and-answer sessions. Any other party may also choose to have a representative present.

3. No later than ten days before the local public hearings, Spire Missouri shall provide notice of the hearings to each of its customers. Such notice shall be as agreed to by the parties and set forth in Staff's filing of April 22, 2021, *Staff Submission of Proposed Language for Notice of Local Public Hearings*, with the exception of meeting access information, which is supplied in this order.

4. Any person may comment at any of the hearings, but are encouraged to attend the hearing corresponding to the location nearest their service area for the most relevant information. Comments at the hearing will be limited to five minutes per person.

5. 6. A live audio web stream at the Commission’s website, www.psc.mo.gov, will provide audio of the question and answer session and hearing. Those who do not intend to participate in the question-and-answer session or make comment to the Commission should listen via the web stream.
