Re: In the Matter of Union Electric Company's Application – Markway Meadows

Dear Mr. Woodruff:

Concurrently with the filing of this letter I am submitting the Verification page from the Application filed in this case on June 6, 2013, as I indicated I would do in my June 6, 2013 letter accompanying the Application. I ask that this Verification page be deemed substituted for the unsigned Verification page in the initial Application.

Please contact me if you have any questions. Thank you.

Sincerely,

**/s/ James B. Lowery**
