ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY

Issue Date: December 15, 2011

Effective Date: January 14, 2012

On November 28, 2011, the Staff of the Missouri Public Service Commission ("Staff") filed a motion to cancel the certificate of service authority to provide basic local telecommunications services and accompanying tariff granted to Vistavox of MO, Inc. ("Company"). The Company was granted its certificate on August 26, 2007 in File No. CA-2007-0475. The Company has no approved accompanying tariff.

In support of its motion, Staff states that on October 25, 2011, the Missouri Secretary of State's Office administratively dissolved the Company's authority to do business in the state of Missouri for failure to file a correct and current 2011 annual report, which prevents the Company from carrying on business and lawfully providing telecommunications services in Missouri. In addition, the Company has failed to file its calendar year 2010 annual report and its annual Statement of Revenue and is delinquent in the payment of its 2012 assessment.

On November 29, 2011, the Commission issued an Order Directing Notice allowing any parties to file an objection or request a hearing no later than December 9, 2011. No objections or requests for a hearing were filed.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410(5), RSMo (Supp. 2010), which states that “[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.” Based on Staff’s motion, the Commission finds that the certificate of service authority granted to Vistavox of MO, Inc., shall be canceled.

THE COMMISSION ORDERS THAT:

1. The certificate of service authority to provide basic local telecommunications services granted to Vistavox of MO, Inc. in File No. CA-2007-0475 is canceled.
2. This order shall become effective on January 14, 2012.
3. This case may be closed on January 15, 2012.
