Records
Public Service Commission

Dear Mr. Roberts:

Enclosed for filing are an original and three (3) copies of revised pages for Sprint Missouri, Inc. d/b/a/ Sprint General Exchange Tariff. These revisions are filed in accordance with Missouri Public Service Commission Rules and Regulations and submitted with an October 25, 2002 issue date and a proposed effective date of December 11, 2002. These tariff revisions are available on Sprint's website at www.sprint.com/tariffs.

The purpose of this filing is to modify rates in accordance with Sprint's Price Cap regulation, pursuant to Section 392.245, RSMo 2000. Within this filing, Sprint is adjusting its basic rates by the change in the CPI-TS as required by 392.245.4(a) updating its maximum allowable prices for non-basic services and adjusting certain rates as allowed by 392.245.11; and adjusting certain switched access rates and rebalancing to local rates, as allowed by 392.245.9.

All affected customers will receive thirty days advance notification of these changes, as previously communicated to the commission's staff. A summary of the rate adjustments and supporting calculations have been provided to Mr. William Voight under separate cover.

Commission consideration and timely approval of these pages are respectfully requested. If you have questions or need additional information regarding this filing, you may call John Idoux at (913) 315-8564 or Lisa Padilla, toll free at (866) 727-4350 or (913) 315-9370.
